

Chipmunk Whykowski Sanchez 1

SANCHEZ

To date how many has the Hat had killed?

WHYKOWSKI

168 and counting.

CHIPMUNK

He's out of control. That crap hound ordered the drowning of the town drunk in Moscow, Idaho because he claimed he took a Flying Saucer to Dallas to witness the assassination.

WHYKOWSKI

We have two larger looming issues. The first being in New Orleans. The Texan had the Cubans whack that BVDeviant pilot with the painted eyebrows.

SANCHEZ

Yeah, Ferrie. One aptly named individual there.

CHIPMUNK

He was supposed to fly out to Cuba right after Oswald got to the landing strip in the Bayou.

SANCHEZ

A false flag operation.

WHYKOWSKI

Rubinstein's idea.

SANCHEZ

And the Hat just had to do him because...

WHYKOWSKI

That moronic DA Garibaldi...

CHIPMUNK

Garrison.

WHYKOWSKI

Right, Garrison busted him after talking to some accountant about his ties to the Cuban Getaway Operation.

CHIPMUNK

The accountant did Ferrie's taxes. He knew about Ferrie's

flight because he tried to write off the gas as a
entertainment expense.

SANCHEZ

You'd think these CPA's would have learned from that Capone
mess.

WHYKOWSKI

Garrison is a thug. He tortured this pencil pusher to a
Lawrence Welk soundtrack.

SANCHEZ

Lawrence Welk? I won't sleep tonight.

CHIPMUNK

No kidding. He gave up Ferrie in about twenty seconds.

SANCHEZ

What did Ferrie say to Garrison?

WHYKOWSKI

The truth. He took a pleasure flight over the Gulf.

CHIPMUNK

It's all he knew.
