

LEE 2

Go Audie Murphy! Go, you show those KO-reans how we do it in America. What's that? Tell you what, friend, I am a Marine, what are you, a WAVE? Thought so. You shut up and watch the movie! You. Back to basic with you. Condescend to me... Oh, hello officer. Early. I got 'til the fifth reel here, so- Get your goddamn hands off me, son. Your gonna want my autograph in a day. You know who I am I said hands off. We got a story to tell here. You tell them all I said was- I AM A PATSY.

And you will be taken care of. Did I lay it on too thick there? Just following orders, right?

*He gets hit.*

I am being beaten by Capitalist stooges of the bourgeois for not paying to see a movie about a war hero. I am a war hero. A cold war hero. You will want my autograph in a day. I am a patsy. Who are you? You guys are no one. I am Lee Harvey Oswald, and: I AM A PATSY! One of you good old boys get me a fresh shirt for the hearing- I AM A PATSY...SIC SEMPER TYRANUS SEMPER FIDELIS SEMPER

*Lee is dragged off by cops of his imagination.*
