MARSHA

What do we have Charlie, where is it going?

CHARLIE

Marsha, I gotta get to the plane, I have a real important business trip. Before you get angry-

MARSHA

I'm already angry. Hey. Let's play fair. You said in six months you'd have enough for the wedding-

CHARLIE

And okay, I will, I will-

MARSHA

That was a year ago.

CHARLIE

Oh, God. I am sorry. But I got this job in Dallas-

MARSHA

I bet you do. So what's this job in Dallas, Charlie-

CHARLIE

You know I can't-

MARSHA

I have been dreading this-

CHARLIE

This is not what you think it is.

MARSHA

When we first met we disagreed about dread. But I'm right. I'm sick of every little thing turning into a big regret.

CHARLIE

Where is this coming from.

MARSHA

You.

CHARLIE

Point that thing the other way, woman. We at the name calling section of this thing yet?

MARSHA

What's the bitch's name?

CHARLIE

Can't you just kiss me for good luck?

MARSHA

What is the bitch's name, Charlie?

CHARLIE

Don't do this now, I gotta get on a plane-

MARSHA

What is the bitch's name?
