

Yalies 1 (with frank and Louie)

FRANK

What do you want?

YALIE ONE

We are the Pro's from the Company. You must be the bag men.
So carry m'bag, Guhmba.

LOUIE

I know Joey B. and Izzy Fleisher and you are not Joey B.
and Izzy Fleisher!

YALIE TWO

Thank God, those names are strictly public school.

*The Yalies think this the funniest thing in the world.
The Bag Men are just confused.*

FRANK

Did you two jamooks just shoot The Fucking President?

YALIE TWO

No. No. We shot where we were supposed to have shot. We had
no idea that first grunt was going to miss the... miss. We
did what we were ordered to by the Texan. That red neck's
shot drove Kennedy's head forward slightly. He head butted
a bullet. Take the weapons and drive, guhmba.

LOUIE

Not for nothing, it's pronounced 'GOOM-ba?'

YALIE TWO

Hey, I took a semester in Venice. Uhhh, bag?
