

YALIES 2 (with Dorothy)

Dorothy is getting her make up touched up by the other Yalie, who also hands her a champagne cocktail and a pill. Yalie One joins in, as they are undercover P.A's. She speaks to someone off stage.

DORTHY

I have already leaked testimony from The Warren Commission in The Journal American. I am on What's My Line every Sunday night. This is not my first rodeo. Thank you for your gentlemanly concern for my reputation, but I'll be just fine. If you will excuse me, I have a broadcast to get to, and then an exclusive interview to publish!

She sweeps out of the room to her audience. She is not feeling herself.

YALIE ONE

How do you like being an undercover production assistant?

YALIE TWO

It's like having to work.

YALIE ONE

Was that pharmaceutical grade Seconal?

YALIE TWO

That's right. It's for horses.

YALIE ONE

Will you be summering on The Cape?

YALIE TWO

You have to ask?

DOROTHY

Thank you for the warm welcome. It is my pleasure to introduce to you the dry wit of Mr Bennet Cerf. Mr. Cerf is avid traveler and has just visited the pearl of the south, Memphis Tennessee Virginia house ham fit oh my silly me um ahem I needsy sneezy could a man send for those to me alright?

The Yalies enter quickly as production assistants.

YALIE ONE

For God' sakes people, cut to a commercial. Can't you see Mrs. Kilgallen is under the weather or something. Let's get

her out of these lights and take her home. Come on Dorothy,
I bet you could use a drink.

YALIE TWO

You heard him people! Come on...back to one.
